

Bay County GIS Interactive Map

<http://maps.baycountyfl.gov>

- When you visit our site your initial view will contain a splash screen like this below. This screen serves a few purposes. First of all it shows you our GIS disclaimer as well as giving you the opportunity to email our department with any questions, comments, updates or concerns.
- If you click the 'Agree' button, this will take you directly into our application.
- By checking the "Don't show again" box, you will not have to see this splash screen the next time you visit the site.
